WHAT I DO ?

I have been working with C++ since high school. I have found a passion for design concepts and realized how excellent design results in excellent user experience. I think productivity when I try to craft something for my clients. I now spend my time to learn new design techniques and concepts to implement in my work.

WORK EXPERIENCE

SRM DEVELOPER STUDENTS CLUB, BY GOOGLE
CREATIVE DEVELOPER
FEB 2018 - PRESENT

I use my skills to work with the rest of my team to develop and design applications that bring change and improve the community. We do this by finding and solving problems around us with the backing provided by Google.

NEST TECHNOLOGIES LTD.
INTERN
JUNE 2017

I had the opportunity to work with the people at NeSt for development in Internet of Things, where we used modular and cheap electronics to produce smart devices to automate and simplify day to day life.

HOBBIES

GAMING, MOVIES, MUSIC, VIDEO CREATION
